Beginning Body Changes for Boys 3rd-5th GRADE
Beginning Body Changes for Girls

For boys and girls soon to enter puberty. Addresses only the physical changes experienced during puberty. Special teacher section on DVD addresses optional reproduction discussion.

INCLUDES LINK TO EXTENSIVE LESSON PLANS AND HELPS

Puberty: The Great Adventure for Guys 6th-9th GRADE
Puberty: The Great Adventure for Girls
Puberty: The Great Adventure for Guys and Girls

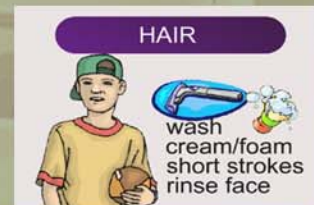

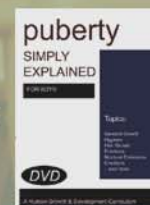

For those who have already entered puberty. Addresses physical changes and mildly explains how the sperm and egg can come together to make a baby.

INCLUDES LINK TO EXTENSIVE LESSON PLANS AND HELPS

Puberty: Simply Explained for Boys 3rd- 8th GRADE
Puberty: Simply Explained for Girls

Produced specifically for schools that have had a hard time finding a program without fluff, i.e. hokey acting and whiz-bang editing. Uses graphics and simple explanations to give the facts of what pre-teens can expect during puberty.

INCLUDES LINK TO EXTENSIVE LESSON PLANS AND HELPS

- ❖ You simply choose the program of interest.
- ❖ Get an immediate preview of the product at www.worldeducationalmedia.com.
- ❖ Then request the full program to present to Parent Preview Groups, Teacher Preview Groups, and/or Administrator Preview Groups.
- ❖ See for yourself the sigh of relief from all these groups when they realize they've finally found a balanced, no-agenda, "just-the-facts," professionally produced Puberty Ed. Curriculum.
